MATH CLUB

Join us for a talk by Professor Kohlmeyer!

Alex Kohlmeyer, Full Professor of Research in the Mathematics department of the College of Science and Technology at Temple University

Topic: Introduction to High Performance computing - How to turn simple applications to high performance computing

Friday Sept 30, 2016 in Wachman 617
@ 4-5pm
Free Food!

LIFE BEFORE THE COMPUTER

a memory was something that you lost with age
an application was for employment
a program was a TV show
a cursor used profanity
a keyboard was a piano
a web was a spider's home
a virus was the flu
a CD was a bank account
a hard drive was a long trip on the road
a mouse pad was where a mouse lived
